THE WOODLANDS, TEXAS (May 8, 2019) – The Woodlands Township Chairman Gordy Bunch shared accomplishments and plans of the Township on Wednesday, May 7, 2019, as the featured speaker at the Quarterly Partner Luncheon hosted by The Woodlands Area Economic Development Partnership (EDP).

Chairman Bunch presented the State of the Township, which highlighted the services provided by the Township along with an overview of amenities for residents and visitors, details about the local economy and Township investments along with projections for the future of the community.

“The Woodlands remains a wonderful hometown for our residents, a great destination for corporate and convention meetings, leisure travel, and place to work with thousands of jobs,” Chairman Bunch said.
