

## How to Stay Informed in an Emergency

**Prepare, Plan, Stay Informed – Visit [www.Ready.gov](http://www.Ready.gov).**

To stay informed before, during and after an emergency, check The Woodlands Township Web site at [www.thewoodlandstowship-tx.gov](http://www.thewoodlandstowship-tx.gov), as long as electric power and Internet access permit.

Montgomery County Office of Homeland Security and Emergency Management at [www.mctxoem.org](http://www.mctxoem.org) and Harris County Office of Homeland Security and Emergency Management at [www.readyharris.org](http://www.readyharris.org) will post emergency information for their counties. To monitor hurricanes, visit The National Hurricane Center website at [www.nhc.noaa.gov](http://www.nhc.noaa.gov), listen to a NOAA weather radio and/or listen to your local news. Visit [www.weather.gov/hgx/](http://www.weather.gov/hgx/) for other local weather information from the National Weather Service. To monitor waterways, visit Harris County Flood Warning System at [www.harriscountyfws.org/](http://www.harriscountyfws.org/) and click ALL for Gages by Agency.

In addition, **The Woodlands Township has an arrangement with K- STAR Country, 99.7 FM radio, to broadcast emergency information specific to The Woodlands** in the event of a community-wide emergency.

**In the event ALL communication efforts fail, residents may go to one of The Woodlands' eight fire stations.** The Woodlands fire stations will have the latest updates and information available for residents.

Central Station and Administration Office – 9951 Grogan's Mill Road  
Station 2 – 9303 Gosling Road  
Station 3 – 1522 Sawdust Road  
Station 4 – 7900 Bay Branch Drive
