

MONTGOMERY COUNTY OFFICIALS UPDATE CORONAVIRUS OUTBREAK

Status Update from the Office of Homeland Security and Emergency Management

FOR IMMEDIATE RELEASE:

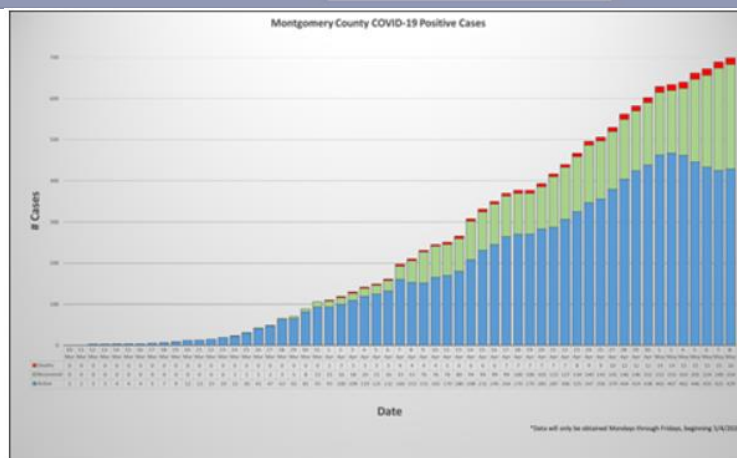

May 8, 2020

MONTGOMERY COUNTY – Montgomery County Public Health District, in conjunction with Montgomery County Office of Homeland Security and Emergency Management, can confirm our 16th death related to COVID-19. A woman in her 100s died at Park Manor of Conroe, a long-term care facility. We offer our condolences to her family at this difficult time.

We can also confirm the number of ACTIVE cases of COVID-19 has increased to 429 today. That number includes 54 hospitalizations. 254 people have fully recovered! The number of total positive cases has increased 10 since yesterday to 699.

Details on individual cases can be found here: <https://mcphd-tx.org/coronavirus-covid-19/confirmed-cases/>.

Montgomery County Office of Emergency Management updates a dashboard for the cases here: <https://coronavirus-response-moco.hub.arcgis.com/>.

Montgomery County will have a mobile COVID-19 Testing Site May 10, 2020 from 9AM-6PM. **Tests will be conducted by appointment only** at 9333 Airport Rd. Conroe, TX 77303. To register for an appointment, visit www.txcovidtest.org or call 512-883-2400. See informational flyer below.

The flyer features a central illustration of a man in a red shirt and glasses. He is shown in three stages: first, holding a white nasal swab; second, sitting in a blue chair and talking on a mobile phone; third, sitting in a red car while a healthcare worker in a white protective suit stands outside. A hand holding a smartphone with a red cross icon is also shown. The text is arranged around these illustrations. At the top right is a 'COVID-19' logo with virus particles. The main title 'MOBILE TEST COLLECTION' is in large, bold, dark red letters, with the subtitle 'is coming to your community' below it. The date 'DATE 05/10/20' is in large red letters. Below the date, the time 'Time 0900AM – 6:00PM' and location 'Location: 9333 Airport Rd. Conroe, TX 77303' are listed. A section titled 'You will be screened to see if you have:' lists symptoms in two columns. A 'To register:' section provides the website and phone number. At the bottom, logos for Montgomery County, Harris County, and the State of Texas are displayed, along with the Texas Health and Human Services logo.

When you dial 9-1-1 under stress, you may not have access to important details, or you may have trouble remembering them. Smart911 is a new service in the community that allows you to create a Safety Profile at www.smart911.com that includes details you want the 9-1-1 center and public safety response teams to know about your household in an emergency. When you dial 9-1-1, your Safety Profile automatically displays to the 9-1-1 call taker, allowing them to send responders based on up-to-date location and emergency information. With your Safety Profile, responders can arrive aware of many details they would not otherwise know. Fire crews can arrive knowing exactly how many people live your home and where the bedrooms are located. EMS personnel can know family members' allergies or specific medical conditions. And police can access a photo of a missing family member in seconds rather than minutes or hours, helping the search start faster.
