

## MONTGOMERY COUNTY OFFICIALS UPDATE CORONAVIRUS OUTBREAK

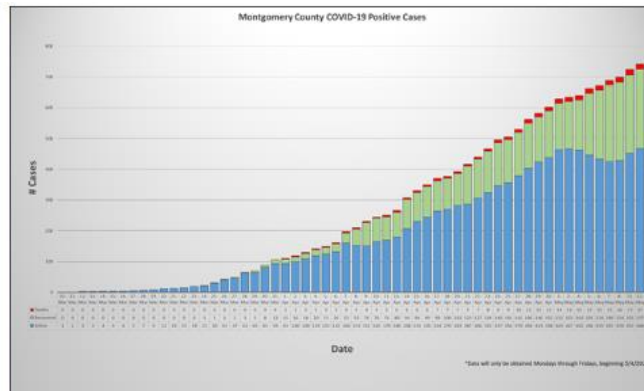

*Status Update from the Office of Homeland Security and Emergency Management*

**FOR IMMEDIATE RELEASE:**

**May 12, 2020**

We can also confirm the number of ACTIVE cases of COVID-19 has increased to 468 today. That number includes 56 hospitalizations. 257 people have fully recovered. The number of total positive cases has increased 18 since yesterday to 742.

Moving forward, we will merge our efforts at reporting results with the Montgomery County Office of Emergency Management. Instead of releasing case-by-case updates, we will link a dashboard for the cases here: <https://coronavirus-response-moco.hub.arcgis.com/>. With a large increase in the availability of testing, this will be a more accurate and concise way of displaying the information. The graphics below will still be provided here: <https://mcphd-tx.org/coronavirus-covid-19/confirmed-cases/>.

Additionally, Kroger will begin sponsoring test sites in Montgomery County tomorrow as well. These test sites will be free, but you must register and symptomatic, or be a first responder or healthcare worker. Please see informational flyer below.

# May 12th - May 17th COVID-19 Testing:
