

# MONTGOMERY COUNTY OFFICIALS UPDATE CORONAVIRUS OUTBREAK

*Status Update from the Office of Homeland Security and Emergency Management*

**FOR IMMEDIATE RELEASE:  
June 10, 2020**

MONTGOMERY COUNTY – Montgomery County Public Health District, in conjunction with Montgomery County Office of Homeland Security and Emergency Management, is saddened to confirm the 32<sup>nd</sup> death related to COVID-19 in Montgomery County. A man in his 40s, from Conroe, died in the hospital. We offer our condolences to his family at this difficult time.

We can also confirm the number of ACTIVE cases of COVID-19 has decreased to 425 today. That number includes 9 hospitalizations of Montgomery County residents. 705 people have fully recovered. The number of total positive cases has increased 40 since yesterday to 1,162. Although the hospitalizations of Montgomery County residents are decreasing, it is important to point out the number of COVID-19 patients in hospitals in the region is starting to rise. Hospital staffs are caring for residents of other counties, so it is still imperative for all of us to follow guidelines set by the CDC.

You can view the list of case-by-case updates on the MCPHD website here: <https://mcphd-tx.org/coronavirus-covid-19/confirmed-cases/>. You can refer to the dashboard here: <https://coronavirus-response-moco.hub.arcgis.com/>.

The MCHD/MCPHD COVID-19 Call Center is open for residents needing COVID-19 testing through our voucher program, or for general questions, Monday-Friday 8:00am-3:30pm. Please call 936-523-5040.
