A woman in her 80s, from Cleveland, passed away in the hospital. We offer our condolences to her family at this difficult time.

Just a reminder, hospitals in our region are seeing an increase in COVID-19 patients, so it is imperative for Montgomery County residents to continue abiding by CDC guidelines when in public places. - Stay at least six feet from others at all times.
- Wear a cloth face covering to help protect yourself and others.
- Wash hands often with soap and water for at least 20 seconds, especially after going to the bathroom, before eating, and after blowing your nose, coughing, or sneezing.
- Bring hand sanitizer with at least 60% alcohol to use if soap and water are not available.
