**The best ways to combat this virus is to follow CDC guidelines to slow the spread. The CDC recommends the following measures when you are in a public place:**

- \* **Stay at least six feet from others at all times.**
- \* **Wear a cloth face covering to help protect yourself and others.**
- \* **Wash hands often with soap and water for at least 20 seconds, especially after going to the bathroom, before eating, and after blowing your nose, coughing, or sneezing.**
- \* **Bring hand sanitizer with at least 60% alcohol to use if soap and water are not available.**
