

CONSTRUCTION NOTICE
San Jacinto River Authority
Woodlands Division
Ground Storage Tank No. 2 at Water Plant No. 4

Preload Construction has been authorized by the San Jacinto River Authority (SJRA) to construct a new two million gallon (2MG) Ground Storage Water Tank at Water Plant No. 4 located at 11904 W. Branch Crossing Drive, The Woodlands, Texas. This project began on January 13, 2020 and is anticipated to be completed by February 2021.

The contractor will be authorized to work Monday through Saturday, between the hours of 7:00 AM to 6:00 PM for non-critical construction and between the hours of 3:00 AM to 10:00 PM for intermittent critical concrete placements.

Access to the project areas will be primarily through 11904 W. Branch Crossing Drive to perform construction work, move equipment, and place construction materials. **Please exercise utmost caution when traveling in or around construction areas.** We ask that you communicate this construction project to all members of your household and avoid these areas if possible

Please be notified: on Thursday, August 20, 2020 and Friday, August 21, 2020 early morning (3:00 AM) and late evening (10:00 PM) construction activities will be occurring.

Thank you for your patience while we improve water supply in our community. If you have any questions about the program, please call or visit our website at: <http://www.sjra.net/woodlands/construction/gst-no2/>
