Daily COVID-19 Update for Montgomery County

Status Update from the Office of Homeland Security and Emergency Management

MONTGOMERY COUNTY – Montgomery County Public Health District, in conjunction with the Montgomery County Office of Homeland Security and Emergency Management, can sadly confirm two additional deaths related to COVID-19.

- A woman in her 80s, from Magnolia, died in the hospital. She had co-morbidities in addition to testing positive for COVID-19.
- A woman in her 80s, from Spring, died in the hospital. She had co-morbidities in addition to testing positive for COVID-19.

We appreciate your patience and understanding during our transition to the Texas Health Trace database. The following update includes cases we have added since 11/5/2020.

- TOTAL cases of COVID-19 increased by 513 to 14,793 since last Thursday's (11/5) report. All 513 new cases were tested in the month of November.
- ACTIVE cases of COVID-19 increased by 271 to 2,279 since last Thursday's (11/5) report. An additional 225 cases have been marked as "inactive" since we have been unable to contact them for more than 30 days.
- 31 residents are known, as a result of contact investigations, to be in the hospital. Contact investigations have not been initiated on all reported cases.
- 9,271 people have clinically recovered. Some of the recovery data is unavailable at this time due to the database transition.

*These numbers include PCR and rapid antigen testing. We do not include antibody testing. Have questions? Please go to <https://mcphd-tx.org/> and scroll down to the FAQs.

SETRAC, as reported by hospitals in Montgomery
County, Texas only. Only confirmed COVID-19
patients are included, regardless of residence.

For more info: setrac.org.

You can find more information on the SETRAC website, setrac.org.

Take steps to slow the spread of COVID-19 in our community.

- If your children have started in-person school, teach them proper hygiene and the correct way to wear a mask. Encourage them to never share masks with others.
- Avoid groups of people.
- Practice social distancing.
- Wear a mask in public or with others outside your household.
- Wash your hands or use hand sanitizer frequently.
- Disinfect surfaces in your car and around your home.

We are unable to update the case-by-case list due to the ongoing transition to the state database. You can view the case-by-case updates from last week on the MCPHD website here: <https://mcphd-tx.org/coronavirus-covid-19/confirmed-cases/>. You can refer to the dashboard here: <https://coronavirus-response-moco.hub.arcgis.com/>.

Do you have questions regarding COVID-19 or COVID-19 testing? The Montgomery County COVID-19 Call Center's number is 936-523-3916. It is open Monday-Friday from 8:00am – 4:30pm.
