Daily COVID-19 Update for Montgomery County

Status Update from the Office of Homeland Security and Emergency Management

MONTGOMERY COUNTY – Montgomery County Public Health District, in conjunction with the Montgomery County Office of Homeland Security and Emergency Management, can confirm two additional deaths related to COVID-19.

- A man in his 50s, from Willis, died in the hospital. There were no co-morbidities noted in his medical records.
- A man in his 80s, from Pinehurst, died in the hospital. He had co-morbidities in addition to testing positive for COVID-19.

We can also confirm:

- TOTAL cases of COVID-19 increased by 330 to 15,758 since yesterday's (11/18) report. All 330 new cases were tested in the month of November.
- ACTIVE cases of COVID-19 increased by 277 to 2,306 since yesterday's (11/18) report.
- 29 residents are known, as a result of contact investigations, to be in the hospital. Contact investigations have not been initiated on all reported cases.
- 10,099 people have clinically recovered.

The Testing Positivity Rate for Montgomery County has risen to 10%. You can find more information here: <https://sph.uth.edu/dept/bads/covid19-dashboard>.

Follow CDC guidelines to slow the spread of COVID-19 in our community.

- ✓ If your children have started in-person school, teach them proper hygiene and the correct way to wear a mask. Encourage them to never share masks with others.
- ✓ Avoid groups of people.
- ✓ Practice social distancing.
- ✓ Wear a mask in public or with others outside your household.
- ✓ Wash your hands or use hand sanitizer frequently.
- ✓ Disinfect surfaces in your car and around your home.

*These numbers include PCR and rapid antigen testing. We do not include antibody testing. Have questions? Please go to <https://mcphd-tx.org/> and scroll down to the FAQs.
