The Woodlands Township COVID-19 Update, Thursday, March 11, 2021

**The Woodlands Township
Safety Protocols for Visiting
Township Facilities and Offices**

Township Facilities Open, Safety Protocols In Place

The Woodlands Township announces all of its facilities are open while at the same time maintaining safety protocols for its employees and visitors due to COVID-19. Texas Governor Greg Abbott's Executive Order GA-34 took effect Wednesday, March 10, 2021 and no longer requires business occupancy limits and a statewide mask mandate unless a county is experiencing "high hospitalizations" as defined in the Order. At this time, The Woodlands Township will continue with face coverings at Township facilities and in participation of Township programs and events, including meetings at Town Hall and programs and services at boat houses, adventure courses and recreational centers. The Township asks that participants abide with safety protocols when visiting a Township facility. Facemasks can be removed while actively engaged in physical exercise/activities where a distance of six feet from other individuals not associated with you can be maintained at all times.

Learn the Facts About the COVID-19 Vaccines

To stop this pandemic, it will require the use all of the prevention tools. Vaccines are one of the most effective tools to protect health and prevent disease. Vaccines work with the body's natural defenses so the body will be ready to fight the virus. Take a look at the [COVID-19 Fact Sheet](#) to learn more about the vaccines.

Vaccine Hubs and Waiting Lists

A number of COVID-19 Vaccine Hubs and vaccination sites are available around The Woodlands and Montgomery County. The Woodlands Township has compiled this information for residents to use in making their decisions regarding COVID-19 vaccines. You may be placed on a waitlist until more vaccine supply is available. Your

patience is appreciated. [Learn more.](#)

Individual hospitals, physicians' offices and pharmacies may also have vaccines available to eligible populations. Please check their websites for additional information. You can find a list of providers and additional information on the Department of State Health Services (DSHS) website here: <https://www.dshs.state.tx.us/coronavirus/immunize/vaccine-hubs.aspx>.

The Montgomery County Office of Homeland Security and Emergency Management offers call center hours Monday through Thursday from 8 a.m. to 4:30 p.m. and Fridays from 8 a.m. to 4 p.m. for Montgomery County residents, 65 years and older. Call 936-523-3916 during these hours to be assisted.

Harris County has established a hotline for their senior constituents through the HCP4 Encore Department. The HCP4 Encore staff is available as a resource to offer more information on the vaccination registration process from 8 a.m. to 5 p.m., Monday through Friday, at 713-274-4050.

What to Know When You've Been Fully Vaccinated

People who are fully vaccinated can start to do some things they stopped doing because of the pandemic, according to a news announcement from the Center for Disease Control (CDC). It's good to know what's considered safe and what precautions should still be followed after being fully vaccinated. [Read more.](#)

Vaccine Facts: Should I Expect Side Effects from the COVID-19 Vaccines?

Side effects after getting a COVID-19 vaccine are normal signs your body is building protection. Side effects may even feel like flu and might affect your ability to do daily activities, but they should go away in a few days. [Get more information now.](#)

"Save Our Seniors" Initiative to Vaccinate Homebound Seniors In Texas

As part of the statewide Save Our Seniors Initiative, the state will deploy more than 1,100 National Guardsmen to assist communities in vaccinating homebound seniors. The guardsmen will be broken up into teams that will deploy across the state. Some members of these teams will focus on identifying and registering

homebound seniors for the program while others will visit homes and administer vaccines. The state is dedicating up to 8,000 vaccines to this initiative for the first week and will work with organizations like Meals On Wheels and nursing groups to identify homebound seniors who volunteer to be vaccinated. The program launched Monday, March 1, 2021. [Read complete release.](#)
