COVID-19 Update for Montgomery County

Status Update from the Office of Homeland Security and Emergency Management

MONTGOMERY COUNTY – Montgomery County Public Health District, in conjunction with the Montgomery County Office of Homeland Security and Emergency Management, would like to encourage residents to be vaccinated for COVID-19 or obtain a booster shot if eligible.

The CDC has endorsed Pfizer booster shots for those who are 65 years of age and older, immunocompromised individuals and those who work in high-risk industries. For more information, click here: <https://www.cdc.gov/media/releases/2021/p0924-booster-recommendations-.html>.

Need to find a vaccine or a vaccine booster shot? Click here for vaccine sites: <https://www.vaccines.gov/>.

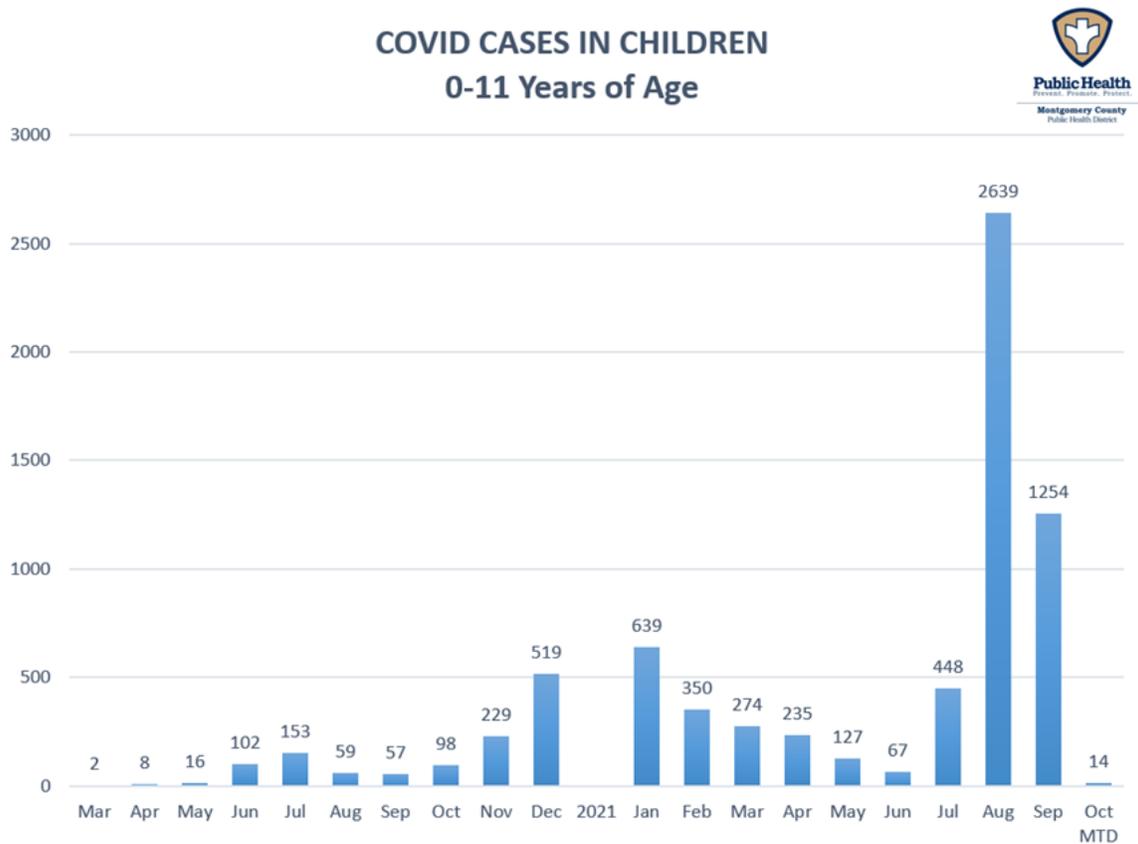

Today, we can also confirm four additional deaths related to COVID-19.

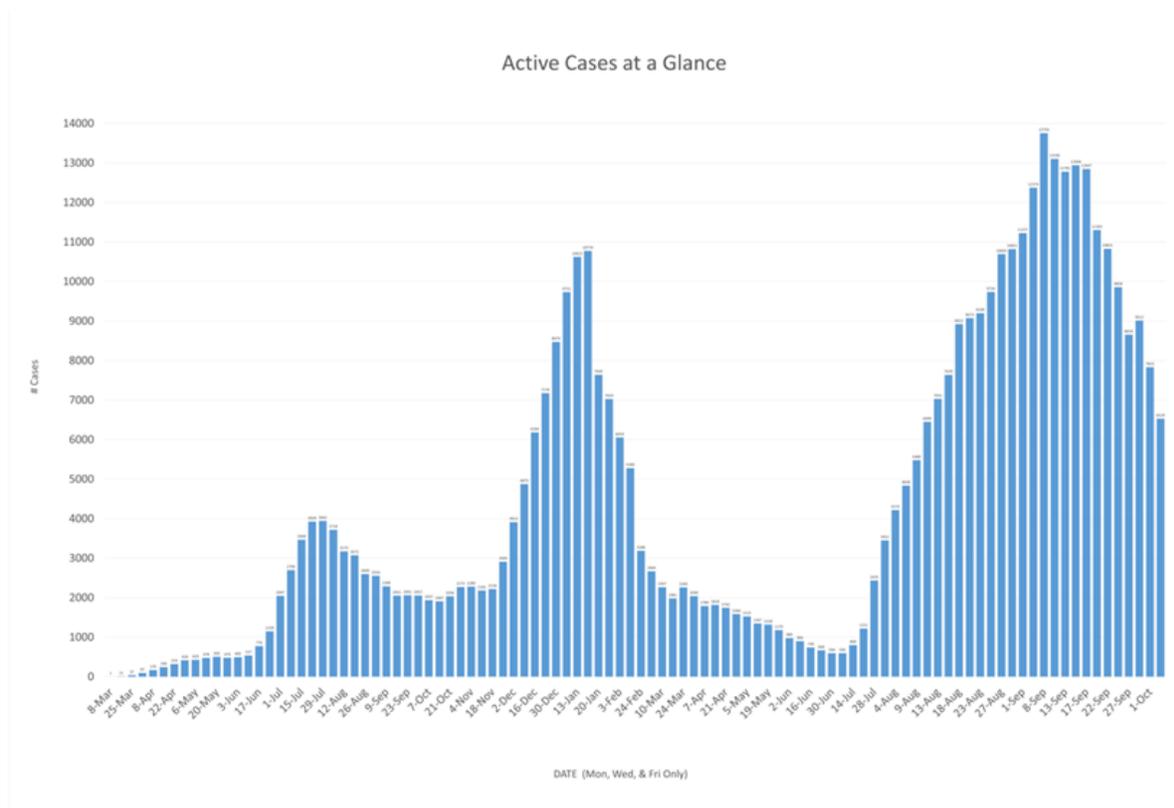

- A woman in her 70s, from Conroe, died in the hospital. There were no co-morbidities noted in her medical records. She was not vaccinated.
- A woman in her 80s, from Pinehurst, died in the hospital. She had co-morbidities in addition to testing positive for COVID-19. She was fully vaccinated.
- A woman in her 80s, from Conroe, died in the hospital. She had co-morbidities in addition to testing positive for COVID-19. She was not vaccinated.
- A woman in her 90s, from Splendora, died in the hospital. She had co-morbidities in addition to testing positive for COVID-19. She was fully vaccinated.

We can also confirm:

- TOTAL cases of COVID-19 increased by 384 to 85,545 since Friday's (10/1) report.
 - Of the 384 new cases, 58 are under the age of 12 and not eligible for vaccination.

- ACTIVE cases of COVID-19 decreased by 1,304 to 6,529 since Friday's (10/1) report.

- 381 county residents are known, as a result of contact investigations, to be in the hospital. Contact investigations have not been initiated on all reported cases.
- 78,391 people have clinically recovered.
 - Reporting of inactive cases ended as of 10/1/2021. All cases who are not hospitalized or deceased will be considered “recovered” to support past data that the vast majority of patients clinically recover within 30 days.

The Testing Positivity Rate for Montgomery County has decreased to 14%, down from 17% on Friday.

Have a question about COVID-19? You can reach the Montgomery County COVID-19 Call Center at 936-523-3916. It is open Monday-Thursday from 8:00am-4:30pm and Friday 8:00am-4:00pm.

Do your part to slow the spread of COVID-19. The best way to protect yourself and those around you is to be vaccinated. You should also:

- ***Avoid groups of people.***
- ***Practice social distancing.***
- ***Wear a mask in public (over your nose and mouth) or with others who live outside your household. Never share a mask with others.***
- ***Wash your hands or use hand sanitizer frequently.***
- ***Disinfect surfaces in your car and around your home.***
