## **COVID-19 Update for Montgomery County**

*Status Update from the Office of Homeland Security and Emergency Management*

MONTGOMERY COUNTY – Montgomery County Public Health District, in conjunction with the Montgomery County Office of Homeland Security and Emergency Management, would like to encourage residents to be vaccinated for COVID-19 or obtain a booster shot if eligible.

The CDC has endorsed Pfizer booster shots for those who are 65 years of age and older, immunocompromised individuals and those who work in high-risk industries. For more information, click here: <https://www.cdc.gov/media/releases/2021/p0924-booster-recommendations-.html>.

Need to find a vaccine or a vaccine booster shot? Click here for vaccine sites: <https://www.vaccines.gov/>.

Today, we can confirm three additional deaths related to COVID-19.

- A man in his 50s, from Splendora, died in his home. He had co-morbidities in addition to testing positive for COVID-19. He was not vaccinated.
- A woman in her 50s, from Montgomery, died in the hospital. She had co-morbidities in addition to testing positive for COVID-19. She was not vaccinated.
- A man in his 70s, from Splendora, died in the hospital. He had co-morbidities in addition to testing positive for COVID-19. He was not vaccinated.

We can also confirm:

- TOTAL cases of COVID-19 increased by 226 to 86,402 since Friday's (10/8) report.
  - Of the 226 new cases, 31 are under the age of 12 and not eligible for vaccination.

- ACTIVE cases of COVID-19 decreased by 869 to 4,935 since Friday's (10/8) report.

- 376 county residents are known, as a result of contact investigations, to be in the hospital. Contact investigations have not been initiated on all reported cases.
- 80,815 people have clinically recovered.
  - Reporting of inactive cases ended as of 10/1/2021. All cases who are not hospitalized or deceased will be considered “recovered” to support past data that the vast majority of patients clinically recover within 30 days.

**The Testing Positivity Rate for Montgomery County has decreased to 11%, down from 12% on Friday.**

Have a question about COVID-19? You can reach the Montgomery County COVID-19 Call Center at 936-523-3916. It is open Monday-Thursday from 8:00am-4:30pm and Friday 8:00am-4:00pm.

***Do your part to slow the spread of COVID-19. The best way to protect yourself and those around you is to be vaccinated. You should also:***

- ***Avoid groups of people.***
- ***Practice social distancing.***
- ***Wear a mask in public (over your nose and mouth) or with others who live outside your household. Never share a mask with others.***
- ***Wash your hands or use hand sanitizer frequently.***
- ***Disinfect surfaces in your car and around your home.***
