Township presents online portal for tennis court availability

THE WOODLANDS, TEXAS (November 4, 2021) – Tennis and pickleball enthusiasts can now view online tennis/pickleball court availability from their smartphone. The Township is proud to announce the launch of an online portal that displays court availability in real-time and allows online reservations and permits up to 24 hours out.

The Woodlands Township parks system has a total of 80 tennis courts that are located across 27 parks and soon to be 43 pickleball overlays across 9 parks in the community. Whether you are interested in organized lessons, drills, leagues or finding a spot to play, The Woodlands Township is working to make finding your “perfect match” even easier. Visit www.thewoodlandstowship-tx.gov/tennis to view all updated tennis programming and information.

Court hours of operation are from 7 a.m. to 11 p.m. and fees to reserve are subject to peak/non-peak and resident/non-resident rates. Tennis and Pickleball courts are open to the public on a first come, first serve basis, however, users without reservations must yield court(s) to permit holders and scheduled programs through The Woodlands Township.
