**Swing Into Spring with Texas TreeVentures Spring Break**

THE WOODLANDS, TEXAS (March 3, 2022) – Add some nature and adventure to your Spring Break with a climb at Texas TreeVentures! Located in Creekside Park in The Woodlands behind the Recreation Center at Rob Fleming Park, Texas TreeVentures is the perfect place to take your friends and family and get outdoors!

Standing at over 40 feet tall, Texas TreeVentures is an aerial adventure course with 69 elements to climb through and five TruBlue auto-belays to attach and experience a controlled jump to the ground! With the varying difficulty in elements and three levels at 20, 30 and 40 feet, it offers the perfect three-hour adventure for skill and comfortability of all types. The minimum age to climb on the course is six years old, and the weight requirement is a minimum weight of 44 pounds with a maximum weight of 275 pounds. All children ages 6 to 12 are subject to the Texas TreeVentures youth supervision policy. All participants are weighed at check-in.

Texas TreeVentures also offers special events throughout each month. Climb for two hours during the sunset and end the night with s'mores around a campfire during the Sunset & S'mores event. Perhaps you've experienced the course during the day? Book a climb during Glow in the Park and shift the whole perspective as the course is lit up during the night from the ground. Prices vary from our general admission prices, and all events are subject to varied youth requirements and restrictions. Special events may cancel due to low enrollment.

**Upcoming Sunset & S'mores dates:**

- Friday, March 4, 2022
- Friday, April 1, 2022
- Friday, May 6, 2022

**Upcoming Glow in the Park dates:**
