## 1<sup>ST</sup> QUARTER 2022 PUBLIC SAFETY REPORT

### Noteworthy Crime Trends

- We continue to see an increase in criminal activity related to the theft of Catalytic Converters. While we are working to identify, locate and apprehend those involved, we continue to conduct proactive initiatives to target those who are victimizing residents and visitors by these crimes.
- 34 individuals have been booked in our jail for theft or criminal mischief related to the theft or attempted theft of catalytic converters. Unfortunately, some of these individuals were out on bond for other crimes, from other counties.
- Sheriff Henderson hosted a meeting with Representative Metcalf where he asked for input on ways to address new and emerging crime trends.

## 1<sup>ST</sup> QUARTER 2022 PUBLIC SAFETY REPORT

### Noteworthy Crime Trends (cont'd)

- Phone and online frauds and scams are continuing. We are still receiving reports where victims are scammed or defrauded initiated by a phone call, email or text. Please **STOP, THINK** and **VERIFY** before giving any protected information, bank account, or credit card information in response to a phone call, email, or text.
- Also, we have received reports where students are being deceived into sending revealing photos through social media apps. Please take a moment to discuss with your children, the safe parameters for using social media.

# THANK YOU!

AUTISM AWARENESS INITIATIVE UPDATE

**MONTGOMERY COUNTY  
SHERIFF'S OFFICE**

**SHERIFF RAND HENDERSON**

PRESENTED BY: CAPTAIN TIM HOLIFIELD  
AND  
SERGEANT JASON MOORE

# THE WOODLANDS TOWNSHIP AUTISM AWARENESS INITIATIVE UPDATE

- This program was initiated by Sergeant Jason Moore, one of our many dedicated Sheriff's Office employees who truly cares for his community. For Sergeant Moore, his passion for this program was personal. His idea was championed by many and presented to Sheriff Henderson.
- Sheriff Henderson loved the idea and gave the "green light" to proceed. Sergeant Moore and the Crime Prevention Unit, he supervises partnered with The Neighborhood Services and the Montgomery County Administrative Services Division to launch this program.

# THE WOODLANDS TOWNSHIP AUTISM AWARENESS INITIATIVE UPDATE

- Many families in our community have a family member who is on the Autism spectrum. Some may be high functioning, while others may struggle to communicate verbally. Knowing that there may be a “trigger” that produces an outcome that could be misunderstood as inappropriate.
- We provided training to deputies, thanks in part to funding from The Woodlands Township, allowing them to recognize signs of autism and how to communicate and respond with someone on the Spectrum.

# THE WOODLANDS TOWNSHIP AUTISM AWARENESS INITIATIVE UPDATE

- Families can register their home address, to alert responding First Responders.
- Receive a ribbon to be placed on their vehicle and near the front door of their residence as a visual alert.
- On April 2, 2022, we hosted an event at the Montgomery County Sheriff's Office, for families who thrive with Autism. At the event, they were able to enjoy meeting with members of our team, and community support organization and have a day for them.

# THE WOODLANDS TOWNSHIP AUTISM AWARENESS INITIATIVE UPDATE

- Sheriff Henderson approved the sale of MCSO Autism Awareness t-shirts, and special badges, worn during the month of April. The proceeds from these items went to support 'Thrive with Autism', a non-profit organization that helps families Thrive with Autism.

THANK YOU!
