Township to host 25th annual Woodlands Landscaping Solutions

THE WOODLANDS, TEXAS (September 8, 2022) – The Woodlands Township will host a free event on Saturday, September 24, 2022, to share tips and resources for creating landscapes that are beautiful as well as water-wise and earth-friendly. The 25th annual Woodlands Landscaping Solutions will be held from 9 a.m. to noon at The Recreation Center at Rob Fleming Park, 6464 Creekside Forest Drive, The Woodlands, TX 77389.

Woodlands Landscaping Solutions, the region’s premier lawn and garden event, features dozens of retail and educational booths as well as lectures and hands-on learning by area experts.

Attendees can have one-on-one visits with experts for advice on gardening, landscaping, lawn care, wildlife, plant and tree care and more. If a particular plant is giving you trouble, bring in a sample for an on-site diagnosis. If you’re interested in attracting more birds or butterflies to your garden, visit with an expert who can help you build a beautiful garden that wildlife and neighbors alike will appreciate. Shop for rain barrels, compost bins, compost and native plants. A limited number of free native plants and other lawn and garden resources will be given away.

Compost classes will be held at 9:15 a.m., 10:15 a.m. and 11:15 a.m. inside the recreation center. Enjoy live music, meet wildlife ambassadors and stop by for children’s activities. There is something for everyone! Questions can be emailed to enviro@thewoodlandstowship-tx.gov.
