Solid waste services not impacted by upcoming holidays

THE WOODLANDS, TEXAS (December 20, 2022) – There will be no interruption in solid waste services in The Woodlands during the Christmas and New Year holidays. All services will occur on their regularly scheduled service day including trash, recycling, yard trimmings and bulky trash pickup.

[The Woodlands Recycling Center](#) at 5402 Research Forest Drive will be open on Saturday, December 24 and Saturday, December 31, 2022. It will be open on Wednesday, December 21 and Wednesday, January 4 from 4 to 7 p.m.

Waste Management has discontinued courtesy collection of extra holiday boxes and wrapping paper the week after the holiday. Extra boxes left outside of the cart will not be picked up unless items are bagged and affixed with an extra trash pink tag. Please see the Extra Trash guidelines below. Please note, recycling that is bagged and pink-tagged will be considered trash and landfilled, not recycled. Residents can recycle extra boxes at The Woodlands Recycling Center or by requesting bulky cardboard pickup from Waste Management at 800-800-5804 or cssatex@wm.com.

- Each bag may not weigh more than 40 pounds.
