### Storm Debris

Small tree limbs and other yard waste will be picked up by Waste Management during your normal yard waste pickup time. Please follow our Yard Trimmings guidelines as outlined on our website. Other bulky debris items must fall within our Bulky Oversized Trash guidelines as outlined on our website. Go to our [Managing Storm Debris](#) webpage for more information.

### **Precinct 3 Recycling Center Accepting Yard Debris Free of Charge**

In the aftermath of Wednesday night's storm and subsequent cleanup efforts, Precinct 3 Commissioner James Noack has instructed the Precinct 3 Recycling team to waive any fees for yard debris drop-off at the facility. Recycling facility services are for the use of Montgomery County residents, who should be prepared to show identification verifying their residence at the time of drop-off. The facility is open from 8:30 a.m. to 4:30 p.m. Monday through Saturday at 1122 Pruitt Road, Spring, TX 77380. In addition, the facility will be open from 8:30 a.m. to 4:30 p.m. Sunday, June 25. ### **Storm Damage Reporting and Cooling Centers in Montgomery County**

Individuals who sustained damages from the recent storm that passed through Montgomery County on June 21, 2023, should report damages to the State iSTAT reporting tool. The objective of this survey is to help state and local emergency management officials across Texas identify and gain an understanding of damages that have occurred during recent natural disaster activity. Reporting damages to Emergency Management is a voluntary activity, is not a substitute for reporting damage to your insurance agency and does not guarantee disaster relief assistance.

Residents who do not have internet service or need assistance filling out the form should contact the Montgomery County Office of Homeland Security and Emergency Management at 936-523-3900. Click the following link or use the QR code to fill out your damage survey. ## **Residential Design Review Committees ease applications and pre-approvals for storm-related damage**

In order to make things a little easier for residents affected by the recent storm, the Residential Design Review Committees (RDRCs) and Development Standards Committee (DSC) will forgo applications and pre-approvals for work needed (fence replacement, tree removal, damage to homes). Focus will be on items, which if not addressed immediately, could affect the safety and wellbeing of persons and property. With or without the application, it remains the owner's/resident's duty to ensure all work is done in accordance with the applicable covenants, standards and residential code requirements. This waiver of applications and approvals will be in effect through September 30, 2023. [Read full details.](#)
