G. Committee Member Comments

Steven Gallia again requested more information, and a concrete definition from staff on what the meaning of "muted" was in the Residential Standards. He also was curious about what the Township was doing regarding a reforestation plan due to the many empty spots along the pathways caused by removed dead trees.

H. Staff Comments

Devon Jorden informed Steven Gallia that he had yet to get the information he requested regarding a definition of muted and said he would provide this at the next meeting. Susan Schneider explained that the Parks Department does have a reforestation plan in place that will hopefully rejuvenate the bare areas of the open space reserves along the pathways.

I. Adjournment

There being no further business, Cheryl Edmondson moved to adjourn the meeting at 6:53pm. The motion was seconded by John Leftwich and carried unanimously.
