The Woodlands High School boys' soccer teams partner with the Township and United Way to clean post offices

THE WOODLANDS, TEXAS (March 8, 2013) – For the second year in a row, The Woodlands Township and Montgomery County United Way sponsored a revitalization project with The Woodlands High School boys' soccer teams to perform a variety of maintenance work at both post office locations in The Woodlands.

The Woodlands Township [Community Revitalization Program](#) works with residents of The Woodlands to coordinate community events that encourage healthy, vibrant neighborhoods.

Twenty-five members of the junior varsity soccer team mowed, trimmed and edged the grass, trimmed bushes, weeded and mulched beds plus swept the parking lot at the Panther Creek Post Office. Nineteen members of the varsity soccer team removed debris from the wooded areas, trimmed bushes, mulched the beds and painted the parking lot at the Lakefront Post Office. Both facilities have already received praise from postal customers and personnel.

For more information on The Woodlands Township government, please call 281-210-3800 or visit www.thewoodlandstowship-tx.gov.
