Solid waste services not impacted by Labor Day weekend

THE WOODLANDS, TEXAS (August 22, 2017) – The Woodlands Township reminds residents that all solid waste services in the community will occur as usual during Labor Day weekend. There will be no interruption or delay of services. Waste Management will provide curbside pickup of trash, recycling and yard trimmings to residents on their regular service day, including Monday, September 4, 2017.

Waste Management instituted the policy to reduce the number of holidays taken by operations staff in 2015.

“Residents will receive recycling and trash pick-up on Labor Day and all services will occur as usual for the remainder of the week,” said John Geiger, Environmental Services manager.

To ensure uninterrupted curbside service, residents are reminded to keep streets clear of parked cars and service vehicles on their pick-up day. Waste Management trucks are large and need clear access in order to service streets. Drivers will not be able to provide service to the street if there is a safety issue or possibility for property damage due to parked vehicles. As a safety reminder, if trash trucks cannot drive down a street, it is very likely that emergency vehicles will have difficulty accessing homes also.

For more information about solid waste services in The Woodlands, please visit www.thewoodlandstowship-tx.gov/recycling or call 281-210-3800.
