## Showers and Thunderstorms for the First Week in May

Press Release- May 7, 2019

As the week progresses Montgomery County Office of Homeland Security and Emergency Management will monitor the changing weather. We can expect to continue to have rounds of severe thunderstorms, most of which will produce high rainfall rates. Be prepared for some flash flooding on roadways, remember to use extreme caution when driving. Currently our rivers and creeks remain below flood stage, we will continue to monitor conditions.

**Severe Thunderstorm Warning is in Effect for  
Southeast Montgomery County until 3:45 PM.  
(This Could be extended.)**

Please be weather aware as you go through the week and pay close attention to National Weather Alerts watches and warnings.

For help and information on preparing for disasters, download our new preparedness app **ReadyMCTX** to your mobile device. Now is the time to prepare.

To receive emergency alerts to your phone or email from Montgomery County Office of Emergency Management, register at <http://www.mc911.org/page/e.cd.AlertMCTX>.
