Township’s Public Safety Open House celebrates public safety partnerships

THE WOODLANDS, TEXAS (June 12, 2019) – The Woodlands Township Neighborhood Watch encourages residents to stop, drop and roll into a local fire station this summer and experience the lights and sirens of public safety equipment. Each of the eight fire stations of The Woodlands Fire Department will host a Public Safety Open House to get an up-close look at fire apparatus, rescue units and the fire station where it all happens. This is an especially good opportunity for children to learn about fire safety and meet the firefighters who help keep our neighborhoods safe. The Woodlands Fire Department will also be providing bike registration to help law enforcement when bicycles are found.

In addition, law enforcement personnel from the Montgomery County Sheriff’s Office Crime Prevention Unit or Harris County Constable’s Office Precinct 4 will also be present to join in the fun and help educate the community. Children of all ages are invited to visit with deputies and see a patrol vehicle. The Woodlands Township Neighborhood Watch will also be providing residents with all the details on the upcoming National Night Out events and offering Tech Free 4 Me Driving Village Challenge Activities and Give-a-Ways.

THE 2019 PUBLIC SAFETY OPEN HOUSE SCHEDULE

DATE	STATION	TIME

There is something for all ages to enjoy at the Public Safety Open House this summer at each of the eight stations of The Woodlands Fire Department.

Bicyclists are encouraged to stop by the Public Safety Open House to register their bikes with The Woodlands Fire Department. This helps law enforcement identify owners when bikes are found.

The Woodlands Township Neighborhood Watch will be at each open house event to provide residents with information on upcoming National Night Out events.
