

MONTGOMERY COUNTY OFFICIALS LAUNCH CORONAVIRUS RESPONSE HUB

Status Update from the Office of Homeland Security and Emergency Management

**FOR IMMEDIATE RELEASE:
March 19, 2020**

Montgomery County has launched a central site dedicated to tracking and reporting Coronavirus Response. The Hub is maintained by the Montgomery County Office of Homeland Security and Emergency Management, along with Montgomery County GIS and various other agencies within the region.

Coronavirus Response Hub website address is <http://gis.mctx.org/covid>. Feel free to post the website address to social media and other public facing websites.

The screenshot shows the "Coronavirus Response Hub" website. At the top, there is a header with the title "Coronavirus Response Hub" and a brief description of COVID-19. Below this is a "Community Impact" section with a red gear icon and the text "Find out the current case count, status, and which public facilities have been affected." The main content area is a "Community Impact Dashboard" with a search bar and several data cards. The cards display: "Active Cases" (7), "Confirmed Cases" (7), "Deaths" (0), "Recovered" (0), and "School Closings" (131). There is also a "Government Closings" card showing 61. A map of Montgomery County is visible in the background of the dashboard. The Montgomery County seal is also present in the top right corner of the dashboard area.

Coronavirus Response Hub

COVID-19 is the infectious disease caused by the novel coronavirus. This new virus and disease were unknown to the population before the outbreak began in Wuhan, China, in December 2019.

This page provides information, maps and resources about the coronavirus response in Montgomery County Texas.
