

Neighborhood Watch

Bicycle Registration

The bicycle registration program will record owner information, serial number, and any unique characteristics of the bicycle which will then be securely stored in the department database. Should your bicycle become lost or stolen, The Woodlands Township would be able to retrieve this information and greatly increase the odds of returning your property to you. Please take a few minutes to complete the short form to begin your registration today. You will receive a copy of your original report once it has been processed. Please keep a copy of this report for your records.

Once your bicycle is registered, it will remain in the system until you notify the Township that your bicycle has been disposed of. If you sell or dispose of your bicycles in any way, please update your report by submitting a supplement to your original report. When adding a supplement to the registration, you will need to re-enter personal information.

If your bicycle is ever stolen, it is important to report it to law enforcement.

Montgomery County Sheriff's Office: 936-442-7797 (option 3)
Harris County Constable's Office Precinct 4: 281-376-3472

Bicycle Registration is a free service through The Woodlands Township Neighborhood Watch.
