

The Woodlands Township

The Woodlands, TX

Naming Rights/Title Sponsor TRI – The Woodlands C-2023-0246

The Woodlands Township is requesting proposals from entities for NAMING RIGHTS (Title Sponsor) that includes exclusivity within the product/service category for TRI – The Woodlands. Currently, the event consists of a 500 meter swim in Lake Woodlands, 12.8 mile bike throughout The Woodlands and 5K run along The Woodlands Waterway. The Township seeks to enter into a Naming Rights/Title Sponsorship Agreement for a period not to exceed three (3) years (2024, 2025 and 2026). The Township encourages firms to develop proposals based on the following:

Monetary Sponsorship & Value In-Kind – The proposal shall contain a minimum cash total value of \$25,000 per year for the Naming Rights of TRI – The Woodlands where Presenting Sponsor level is available. Naming rights for TRI – The Woodlands includes exclusivity within the product category.

Value In-Kind – The proposal may contain additional services that the entity can provide to the Township to enhance the race experience. Past sponsors have provided to the Township: Shirts, medical services, traffic control devices, safety coordination, engineering support, advertising, volunteers, marketing support, promotional products, etc., at no cost to the Township. These value adding products or services are above and beyond the minimum cash sponsorship and aids the Township in reducing the cost to produce the event.

The goal of this program is for the Township to review proposals which maximize the value of sponsorships dollars for both the Township and the selected business. The policy of the Township in regards to naming rights sponsorship is as follows:

- Request for Proposals for Naming Rights will be publicly solicited for those programs and events that warrant Naming Rights or title sponsors;
- Naming Rights may include exclusivity within the product category;
- Evaluation, qualification and award of proposals will be made in the best interest of the Township as determined by the President/Chief Executive Officer.

Please note the Township is currently in agreement with an existing sponsor for exclusive medical services for the 2024 event, with rights to renew for a future term through 2027.

The Township will conduct a comprehensive, fair and impartial evaluation of all proposals received, based on the following criteria:

Category	Description	Value
Monetary Requirement	Firm met minimum annual commitment. Additional value is awarded for commitment above the minimum commitment.	35%
Value In-Kind Budget Relief	Products or services provided by sponsor that directly benefit the event.	25%
Volunteer Support	Volunteers provided by the entity for the event.	20%
Marketing/Event Promotion Strength and Effectiveness	Firm's promotional benefits to reach future athletes/participants.	15%
Value In-Kind Intangibles	Product or services offered that may enhance the event, but is of no direct benefit to the race.	5%

Naming Rights are defined as the Company's name in front of the TRI – The Woodlands brand in addition to other sponsorship benefits. A Sponsorship Agreement for three (3) years (2024, 2025, 2026) is being proposed with a goal of maximizing the safety, experience and organization of the Race/Events, while reducing the overall financial commitment of the Township.

Proposals are due no later than Friday, September 29, 2023 at 1 p.m and can be delivered to The Woodlands Township at 2801 Technology Forest Blvd, The Woodlands, Texas 77381. Proposals can be sent via email to mmeaux@thewoodlandstowship-tx.gov. We are looking forward to reviewing your proposal and working with your company to make The Woodlands a better place to live, work and play.
